Women's Breakfast... Tiffany Style

EVENT OVERVIEW

More women than ever before are playing important roles throughout all sectors of our economy. This event focuses on topics, some which are unique to women, for those who strive to grow and thrive in today's business world. Our speakers will share strategies, stories and wisdom gained from both struggle and success. Our aim is to motivate, inspire and empower women to excel. A portion of the proceeds will fund the Jeannie Braun Leadership Award, presented to a deserving female high school senior, who displayed outstanding leadership abilities, for continuing education.

KEYNOTE SPEAKER
